Hi Larry,

Jeffrey was asking if you could please try to find an iPad stand for the air=lane. We used to have 2 of them, seems like they have been moved to the new=airplane. I ordered them on amazon before and attached a picture below. Cou=d you please try to find something like it in the stores here in California=before we go to the ranch? I will also order one for later from amazon.

Thanks a lot!

Karyna
