I'm trying to figure out what to do with it. Anthony is helping me figure out if there is somewhere it can be moved to in the building until the floors are done, but Andrew, the superintendent is telling me they don't have any empty apts. worst case scenario, they will have to wait to do 11P after the office moves out of 10B and 10F on May 31st, and then we can move the furniture into there.. but it would be nice not to have to delay. Logistically it's tricky to organize.

Girls, the floor people need the furniture to be removed from 11P before they start working there. They can start tomorrow.
