I have called and left a message and emailed twice...waiting to hear back...I requested latest possible today and let them know tomorrow is out of the question since you will be traveling...be back to you soon (I hope) Oh!, and also, do keep me in the loop when you make travel plans to see JE...it's good for me to know for 'just in case' reasons! But please, if something needs to be kept private, by all means keep it private..!
