Subject: Slippers for JE

Hi [REDACTED],  
Could you please forward this message to Ms. Maxwell's assistant..  
Mr. Epstein has black suede slippers lined with chinchilla fur inside =nd metal strap on top, that he believes has been custom made by =s. Maxwell, he wants me to copy them. It would be very helpful if Ms. =axwell

could kindly give me the information on how to copy the slippers. I do not have a picture of the slippers at the moment, but I will make sure to send it if needed.

Thanks a lot,  
Karyna.
