Ok, thanks for info, just a few more gray hairs for me.

Eric has pushed the carpet vendor to produce/dye the air duct and seat base carpet to exact match of dark color for best temporary appearance. Eric felt this is best approach than to settle for the carpet that was already in stock that missed by two shades...we still are hoping for Sept 6th test flight still.

Eric and [REDACTED], can you fwd JE and myself the photo of the [REDACTED] carpet jE selected so there is no chance for confusion, or surprises?

Thx,
Larry
