Is the cable something I could find in NY and bring with=?

Jeffrey said he wants to be able to also plug his iPod in=to the stereo systems. Do we have this option? Should I bring= iPod docks and auxiliary cord connectors for the 2 stereos=

The sonos= phone and data is in running at the relax room but the fiber
run

that supplies the flag pole pool with phones, music, and data is still

broken the new cable was ordered and is scheduled to arrive next week.

Hi Jermaine, <=span>

JE will be coming to L=J this Sunday. Is there anything you need him to
bring on the plane?

JE had mentioned we should have ipod docks at b=th stereos in the chill

room
and the pool cabana. Is this something I should bri=g with or do we

already

have it hooked up now? Thanks..
