I'm not sure that I had a specific desk set in mind.. I think I had ordered an aqua colored notepad cover for that room and there might be an acrylic pen holder there as well.. or perhaps that redish color wooden pen holder would be good in there.

Is the desk chair you're referring to the one that used to be in room 2? and is the slipcovered one now in room 2?  
I will try and set up a day to meet with the couple in PB

Good Morning Sarah,

JE believes that you are in PBI and asked if you would interview the couple that Janusz had suggested for a possible NYC couple. Can you do this??

He asked about a desk set for Room 4, did you have anything already in mind or ordered?

Also he does not like the desk chair in room 4 and asked that I place one from the pool cabana there. will forward a picture if you require

Sorry about hitting you with these things

Thanks

Warmest regards
