Hello again.. sorry to be pushy, but if any of you are interested in doing the private group class for S Factor: <http://sfactor.com/> on Feb. 18 or 19th, I will need to know relatively soon in order to be able to book the private session for our group. If you aren't interested or can't make it either of those days, please let me know as well so I know whether to try to even organize this at all. Thanks for your input. It's cool if you have no interest, I just need to know either way. Thanks!!
