I was thinking this couch would be nice.. in just cream or white twill. Not sure how big it can be though?

I was just going to look into instock furniture from Pottery Barn, Crate and Barrel, etc for Sam's place.
Do you want to let me know which cushions and how many we need for outdoor Restoration and I can order?

Hi [REDACTED]
Do we have anything on furniture for Sams place and Relax room?
Have bed,side tables,coffee table, for SAMs and still have nothing for equipment in relax room
We will need new cushions for the outside woven restoration furniture if we are going to keep it in all locations
