Hi [REDACTED].

Can you pick up samples of the large tiles that we like from your =photos? We need to see the tiles in your bathroom in person to really =now what they will be like and to see the color in person. can you =ather them today so we can have a look? I would get a sample of the =ray tile as well for possible floor.. and whatever other ones you might =ove other than the small mosaic ones. ; ) also, I showed je the sink, and he thinks you need a smaller sink with =ome counter space around it.. I agree.. it's not very functional =ithout some counter space.
