Hello Bella,

We have set up a meeting with Scott this Wed at 3pm. He said the airport is available directly from the store, so I'd rather buy one myself, as if we order it may not be delivered by Wed.

Hi Scott and Karyna.

I will purchase the Apple Airport Extreme now and will forward confirmation. Is it ok if I will ship it to 9 East? Please advise.

Thank you,
Bella

Hi Karyna

JE is right the new Apple Airport Extreme would be a better choice for your set up

*Bella - most of the guest apts are ok with the express stations we use but the way Karyna's place is set up getting over The Apple Extreme Base station should resolve this issue
