Subject:	Missing laundry 301

Hi girls and tes
████ had some laundry delivered that has gone missing. Norman ████ and I jus= want to make sure that none of us took it by accident before we start sear=hing in the rest of the building. The cleaners used to have my name connect=d to all our apartments so perhaps they put one of other apartment numbers o= it?
Anyway, let's all check and hope we find it...
