Ok. I will have [REDACTED] leave it with the doorman for you.. And confirming you dropped off 2 movies today at Peggy Siegals office? I need to know what to tell Peggy. Did you take them up to the 5th floor to her office? Do you know who you left them with by chance?

Also, [REDACTED] is picking up more movies from Peggy's house tonight which you will need to give to Karina as well. What is the best way for her to get them to you before Sunday?
