Karyna. It is unfortunate that I am not there today. But that is what JE requested.

Also, JE has been giving Merwin, Jojo and Lyn instruction to send things to the island without telling us. They don't tell us, they just do their job and pack it. So this is where a gap occurs as well. Were you aware of this when you wrote your previous email?

Jojo and Lyn are not supposed to keep track of these things, assistants are!! Jojo's job is to put it in the car and take it to its destination. Assistants are supposed to have it ready for him to take it.

Girls, apparently we don't work very well as a team, Basecamp doesn't seem to be much help either. Any suggestions for improvement??

So, looks like nobody was at the house yesterday when Jojo was taking the luggage? And nobody packed anything for him before? The only thing I know I left was a paper bag labeled "airplane" with a few things for the plane, that I saw in the car..what about clothes for Anna's kids? Who was with Jeffrey buying it? Any ideas where it is?

And a whole bunch of other things that were in the car..
