Ok no problem.

I am flying from pb to ny tomorrow at 4:30pm. Will try and get you on the same flight

Hi Sarah, just to let you know and Mr. Epstein that due to a BP medicine that the doctor gave me I am coughing (one side effect) and has irritated my throwth until now. My doctor here in FL said I am allergic to that medicine and change my medication now. Just want to let Mr. Epstein know that it is not a cold. Thank you.
