Hi Sarah,
Do you mean where it was manufactured? If so, the answer is China. Hope this helps.
Best,

Hi Sara,
Please find attached a quote for the Chrome Log Coffee Table we discussed earlier and a credit card authorization form. As soon as I have a shipping quote I will forward it along to you and put you in touch with Mike over at K&K Transfer. Please let me know if there is any other information I can provide. Thanks for the order, your business is greatly appreciated.

All the best,
Michael
