Hey guys, wanted to touch base about plane food and lunch on plane for =omorrow with Bill Gates.

[REDACTED], thank you for being there to help! Lyn, can you have all the basics =repared, ginger drink, muffins, JE bread(is he still eating this?) =should we send down ice cream? (is he still eating this?) What sort of =hings did [REDACTED] send on the plane for the Woody Allen trip? maybe we can =eplicate some of those things for plane food if JE seemed pleased with =hat trip? Thoughts?
