JE skyped with them. He said they seemed nice, but doesn't want to hire since they don't have any real house experience.

Apparently GM also spoke to them regarding a position at her house since her staff just quit. They asked for a certain amount of money that GM thought was too high, she countered with another number, they said no. So I guess that's that.

Hi Sarah,

We assume since we have had no update, that JE did not talk with the Krupiezer's. Janausz and Ofelia are arriving to the Ranch on Sat, we where hoping to show the Ranch in a good light, but given the state of the place we will try and make the most of it.

will keep you posted

Warmest regards

Karen
