Hi [REDACTED]

A majority of your order is in stock. The only pieces that are not in stock are a qty of 2 JB00797. These two pieces will not be in until the end of March. Please advise if you would like us to ship complete this order, or if you would rather ship what is in stock now.

Thanks,

Samantha

Hi [REDACTED],

I have attached an updated copy of your purchase order. Per our conversation this morning, I have removed FZ021320 and have added qty 6 of JB00799 and changed the qty of JB00797 to a qty of 6.
