Subject: Harvard Trip photos

Hi Girls

Jeffrey will have a Harv=rd Trip coming up soon. I would like to ask whoever goes with him to take =s many photos of him with the people he meets with at the institute as pos=ible. They can be taken with your phone but must be as best quality as is =ossible. I have told JE that I will be asking you to do this and will remi=d you closer to the time again. We need as many as possible!

Thank you
