Hi girls,

Thank you for your cooperation with icloud and pages, however we are not going to use them for now, as JE has found a better way. We are going to try a new software for work called Basecamp. It has a 2 months free trial so we can see how it works for us. All you need to do is go to this link <https://basecamp.com> and put your information in the box where it says "start your free trial". In the field company or organization please put this: JE angels. That is the name of our team for now.

Please do it today/tomorrow and let me know when you are done.

Thanks you and let me know if you have any questions.

Karyna.
