Hi Karyna;
=div style>

We will go through the medical kits here on the island=and see what we are starting with. So far we have found 4 oxygen tanks=empty, so we will look into getting those filled on island. I think=long-term another two defibrillators would be a nice addition, so that one=could be kept at the gym, main compound and captains office. We will ge= back to you after we have had a chance to review the current inventory.</=iv>

Please let us know if you have any ideas!</=iv>

Best Regards,

Roy & Stephanie
