I should be able to get out of here about the same time. JE is having a dinner at 6:30pm, so that's a good time for me to duck out.

I would love for you to come up and see my new couch! It arrived today. super excited about it.

I truly hate this feeling. I want to hibernate for a year maybe call me before you leave work so I can make sure I am able to be home by then

OK- I am calling an emergency meeting of the babysitters club. Do not answer. What are you doing tonight? I get out of here at 6:30 and can come up to you. Will you be around??
