Good

I will put it in my calendar and will let you know that day if I can make it.

I am so happy she is with Kolker.

Fasano knows that we are very good friends right?

Hi Eva,

I wanted to give you an updated appointment time for my mom in case you would still like to come with (only if it is convenient for you!). She now has a pre-op appointment with Dr. Kolker on Monday March 2nd at 11:15am.

And she is going to see Dr. Fassano on Friday, February 27th at 11:40am for the medical clearance, since Dr. Fassano is off the week after.

Once again thank you very much for all your help!

Karyna.

Hi Karyna,

I spoke to Dr. Kolker's office. It's totally fine for your mom to go in and do her pre-op a week before surgery. Please email or call Jillian ([REDACTED] <mailto:[REDACTED]> / [REDACTED]) directly to set up the new appointment. Important to remember is that two weeks before surgery she cannot take any

NSAIDs (that includes Motrin, Advil and any other anti-inflammatory drugs), as well as aspirin of course or any other blood thinners, including fish oil.

To reschedule the Dr. Fassano appointment just email or call Melissa Bellino ([REDACTED] / [REDACTED] <mailto:[REDACTED]> ).

This should be all you need. Once surgery is done she needs to stay here for at least two weeks before she can go back.

Eva

Jeffrey thinks 2 weeks seem like a long time for that or is it how it is usually done?
