We are in Africa now.. I'm guessing GM's not referring =o Alaia in the Ivory Coast? ;)

Hi [REDACTED]

Do you recall if a Filipino lady by the name of Gertrude =It;A.K.A. Early> Silva was employed with JE? She came to interview =esterday with her husband and GM remembers hearing that name so is =ondering if it is the same woman? I had to speak to both of them before =M and I felt like he was ok but she was beyond cold and made a couple =f rude comments about my age and she even wouldn't look at me when I =sked her questions. <<I really, really, really hope we don't =et that couple because she was nasty and I felt the coldness the moment = sat down to talk to her!>>

The mean Filipino housekeeper aside, GM is asking if you =ould possibly go to Alaia for her while you are =here?
