Thanks Gregory...I have guests in 8A (which I understand there is still a hole in the wall for repairs being made to the apartment above) and we have Larry V in 10B...I have Larry cc'd on this mail (However, we need Larry out of the apt by noon tomorrow so [REDACTED] can turn it around for our next guest due to arrive) I will let Giedre and [REDACTED] who are staying in 8A to expect you....

around 10 to do a walk through for a punch list of things that still need to be addressed in terms of the renovations of
the apartments. JE has requested this.
