unbelievable. maybe we need to have the floor guys fix the color and do the job correctly then??  
did you show them what height you need your shower head?  
I'm sorry about the tub sweets : ((

And the glass divider was there so we mapped out the area and Anthony had said to rush the order. The guys are in the closets now finishing them and get this!!! - they said "why did you use a yellow finish? It's wrong if you wanted a leached look." !!!! When they are done with the install and have nearly finished, they will stop and show me what it should have looked like before applying a finish that would blend in. I'll take photos and show you and JE should he like it...
