I=don't think I could have stayed this strong without you!!! =s for your other genius email, I never thought someone could make going to a=storage unit and Target so darn appealing!! Haha! And all he say= is "Hey stranger?"

That's=weak, I'm sorry but its pure cowardice. If you have something=to say- SAY IT. Don't hide behind some passive aggressive two word email that is just his way of seeing if you will respond. I d=n't like it. STAY strong!! Delete them!!!!

You got this girl- honestly. Andrea, a friend of mine once told me that her father told h=r- "a good relationship doesn't end." And that is t=e truth. They don't end because "its right." &=bsp;You are doing so so so good – hang in there, your Mr Right is O=T THERE. Maybe he is going through a break up now too? Or maybe he is super busy with work and r=alizing he needs someone to share it with...BUT it won't happ=n until you are clear headed and moving onward and upward- I promise y=u it will get better!!!!!!

Also, don =99t forget that HE HAD YOU. you were totally his- and what did he do?= Lay around and do nothing. He expects actions from others but not himself. Just like this email. "let me t=row her this email bc I am too insecure to do anything else. Let's m=ke Her do the work and respond." NO. nuh –uh. Not g=nna happen.

LOVE YOU!!!!!!=!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! :) xoxox
