**Subject:** Collection at Newark today - Reference [REDACTED]

I have organized 777 to collect you at Newark at 6.52 pm today. I am monitoring your flight and it seems to be currently on time.

7=7 says you have to call them when you land and are ready to be collected and they will arrive in 5-7 minutes from the call.

Their number is [REDACTED] ;) and your reference number [REDACTED]
