Subject: Japanese Visa's

Amex Centurian has a great website you should look at to see exactly =hat you will need to provide for your Japanese visas!

Please go to:

www.visacentral.com/amex

Please let me know that you are working on this...you will need to =ubmit your applications no later than April 27,28, 29th to be safe! =obviously, the sooner the better)

██ , I know you will have to submit your original Green Card, but you =ill get it back once the app is processed.

Karyna, you will have to provide your original US Visa...

██ , I'm still not sure if you are going!

You can also call VisaCentral if you have any questions: 866 529 6553.

I have heard back from Joi's office that they can help with a business =isa but not really a tourist visa (because that needs to be done =hrough a Japanese tourist agency) I have asked JE if ok to proceed =ith the business visa paperwork on Joi's end. I await JE's reply.

Joi's office did say you should all say you are "executive assistant's" =s occupation (since that is what would make sense)
