I booked a hotel room under each of your names separately...as soon as I receive the record locators I will forward to each of you...I think it is best for obtaining a visa that they see you have a room under your name as Jeffrey's itinerary...

I will cancel these rooms before the cancellation date...I have been advised that the flight itinerary clearly state each of your names so the fact they are on one record locator should be fine.

We should receive the letter of invitation and other docs by mid-to end of this week...!! Please get those business visa applications ready to go! I think you should submit by end of this week...Darren is working on letters of employment. Please use as your employment: Executive Assistant to Jeffrey Epstein CEO of [REDACTED] (I think this will be TC...still waiting to hear back)
