The previous towels we had for pool towels were from Front Gate. They offered monogramming. I reordered new pool towels from them earlier this year and JE did not like them. I have shown him a few samples of high end towels and he didn't like those either. I know he wants white pool towels which we can monogram LSJ on, but he doesn't seem to like any I show him. I think the best bet is to buy a few samples from different places, try to find a basic towel he likes then get them monogrammed somewhere. I think the key is just finding a towel he likes the feel of which is large enough for a pool towel.

Hi Sue;

I'm just curious if you or [REDACTED] might have any details regarding the pool towels? JE has asked Karyna to handle it, but we are not sure what he is looking for? As far as size, quantity, brand, embroidery=?

Any info from past orders or what you have at other properties would be helpful too.

Thank you!
