Welcome to The NOVICA Nation!
A Nation of artists throughout the world -- a village of carvers in Bali; a family of ceramists in Brazil who have handed down their craft from generation to generation; a farmer in the Andes who hand-weaves alpaca sweaters.
It is a community of artists who have been isolated for centuries by distance, time, and geography -- isolated from the very community of collectors seeking their unique, inspired, and undiscovered arts and crafts.

Now, finally, there is a bridge connecting our separate communities into one worldwide nation -- this is The NOVICA Nation.

A nation of people inspired by the arts and empowered by the Internet.

We are all members.

Please contact us if we may be of any assistance.
