In the delivery instructions, I've instructed our warehouse to leave the items in their original packaging, which lists the country of origin. I will also call your freight forwarder Monday morning to ensure they have all the necessary information.

Greetings Karyna,

Is this the final invoice?

This makes it appear that the cargo is consigned to you, and being shipped to you.

If they must put your name in the ship to, please not at the top. Let it be to the bottom - "Attention - Karyna. ."
."</=>

Also, they have listed the Country of Origin for the product=.

I am sorry if this process is worrisome, but this is the only way we can insure the cargo is assigned to the correct account the moment it arrives at Tropical Shipping and US Customs does not automatically demand the cargo be inspected when it arrives on St. Thomas.

Kind regards, DW
