The order # is 020388174512

I just need to know the country of origin for the Parsons Dining Table Square. You don't really need to reference the order, I just need info on one of our items. thank you.

Hello [REDACTED],

Thank you for contacting west elm.

We apologize for the inconvenience, but we do not have enough information to reference your order. Please respond with as much of the following information as you are able to provide:

1. Order number, if available
2. Full name and ZIP code for billing purposes
3. Full name and ZIP code for shipping purposes
4. A phone number in case we should need to contact you
