Hi Mariane. I have [REDACTED] and now our pilot Larry on this email. Larry, can you please confirm with the hotel arrival time of the flight today ...a car was rented under [REDACTED]'s name. The Hotel must know what time arrival is in order to set up transportation. [REDACTED] have been on all these emails and have not replied. The hotel is desperate for information which I don't have. Thanks, Lesley

Dear Lesley,

We are sorry to insist, but we do not understand what do you mean by "their own transportation" ?

We remember you and you will see in attachment that Mrs S [REDACTED] rented a car with our partner "Welcome".

We want to advise you that, during this period, if they do not take the reserved car at their arrival, they will be charge the full amount of the car rental.

Can you please let us know as soon as possible and also their arrival time.

Thank you.

Best regards

Mariane
