Rodrigo,

Could you please make sure the deliver is confirmed for Friday, since the crew did not measure the spaces?

We need the confirmation and make sure it will be done in time.

Thank you,

Eduardo

Good morning Gregory,

=/font>

My crew informed that our client of today decided to take more items than initially scheduled so I can't guarantee they will be in the building today. Regardless, crew will be there on Friday to deliver sofas.

Hello =aiana, Gregory and Rodrigo,

=/font>

Please find =ttached picture of goods that we have in the =arehouse.

=/font>

- a) First =icture – Jensen sofa (doesn't fit in the =levator)
- b) Second =icture – Mirror (doesn't fit in the =levator)
- c) Third =icture - Sofa part 1 (doesn't fit in the =levator)
- d) Fourth =icture – Lounge chair (part of the sofa 1) (it does fit in the =levator)
- e) Fifth =icture – Sofa part 2 (doesn't fit in the elevator). ** Sofa =art 2 is the same sofa part 1 – we haven't unwrapped from =ur blankets.

=/font>

We also received back two chic chairs, one with a broken leg and the second one Gregory informed that stitches were uneven. It was also returned a Kenzo dresser and the Inga Console.

=/font>

I am planning to have my crew back to try to take items through stairs by Friday 23rd. I already anticipate that Jensen sofa may not fit in the stairs due to its size. I will confirm by Monday about Friday =3rd.
