If you want to do a daytime party, it will have to be at 54th =treet, although you can have a party in the evening there as well. If =ou wanted 23rd street, the party would have to be in the evening. Let =e know if you have any other questions!

For =ricing a party for 1.5hrs is $55 per woman and 2hrs would be $65 per =oman, for any party a minimum of 6 women is required. Every woman who =articipates receives a free intro class and an S Factor DVD. For the =eek you requested, the only availability we would have is on the 18th =r the 19th, both daytime and evening. Let me know if either of these =ays work for you and if you have any other questions!
