Subject: Interviews at Mt. Sinai closed

Dear Applicants, &=bsp;

We would like congratulate all of <=span>you for your decision to pursue r=sidency positions for ad=anced training in general practice dentistry. Mt. Sina=, New York has now completed invitations for interviews of selected p=erspective applicants. Please note that we routinely receive far =ore "qualified applicants" than those we are able to select for=Interviews. For those of you =who may not have yet been invited for interviews, please do not feel =iscouraged. Dental Residency applications continue t= be at their highest levels and applicants to open position ratios remain =ighly competitive.

Please be assured of our best wishes a= you pursue excellence in the provision of dental care.<=p>

David Andrews

Residency Coordinator, Mt. Sinai Dentistry

The Institute for Family Health
