hey.. jojo. just told me that we have the bentley in one garage and the =ange rover and escalade in a different garage. just checking if you =now why this is and how much we pay for each car?

Jojo just came to me with a price for a garage closer to the house on =3rd; \$750 for the Escalade and \$650 for the Bentley. I don't think we =ay near that much. I'm not quite sure why he is looking for a new =arage. He said this one is much closer to 71st. I think he's just being =azy.
