Subject: Dinner Tonight

Hi Girls, here's a si=ilar menu to the one last time:

x2 M=sticanza salad (large bowl)
x1 Buratta sp=cial w watermelon and fig (plate)
x2 Eggp=ant Parmesan (plate) —This is a special and one o= JE's favorites. I've suggested ordering 2
thinking he◆=99ll probably eat one to himself... Ordering a 3rd in case it is smal= isn't a bad idea either, but serve only 2
if 3 looks like too much...= /span>
x2 Scallop Entree (plate) (6 scallo=s should fit better on a plate than 8, and not look too crowded.)
x1 Steak entree (not the special) (Temperature: Med=um Rare Push) (plate) — You may have to slice
before serving. Set s=eak knives.
x1 Fettuccine w/ Veal Ragu (s=all bowl)
x1 Orecciette w/ bacon, pecorino and spring=vegetables (small bowl)
x2 Sides of mixed saut◆=A9ed veggies (small bowl)

You k=ow where to get the dessert goodies :) Though if you wanna change it u= (but not the flourless
choice cake...) you can grab a few from eithe= Masion Kayser and/or Laudree just down the street.

Let me know if you have any questions! &nb=p;Xxoo
