[REDACTED], [REDACTED] is arriving in an hour. Please ask Jermaine to take you to the fruit bowl or gourmet gallery (those are the two best grocery stores) and have him go back meet [REDACTED] and then meet you back at the store. Please buy whatever you want for yourself and also the following for the island:

- fresh berries (strawberries, blueberries, raspberries)
- fage yogurt (only whole fat)
- fresh salmon
- persimmons (хурма) if they have
- lemons (6-7)
- Haagen Dazs vanilla ice cream
- organic whole milk

(you can buy milk and ice cream at the new store by the marina so that it does not melt, it is a pretty good store also)

Thank you!
