Greetings Mr. Lory,

As =er our discussion, this email is to confirm that our Principal has o=ted to not loan out the four pieces of outdoor furniture you requested for=the Palm Beach outdoor furniture covers project.

=ur Principal advised that the covers are to act for weather protection, an= that a snug, custom fit for the pieces that have irregular shapes is not =ecessary or required.

He would like instead for y=u to schedule a site visit to obtain the measurements.

Please do not hesitate to email or contact myself or Janusz wh=n you are available for the visit.

Thank you in a=vance for your understanding and we will wait to hear from you.
