Best,

Hello Megan, </=:p>

I just spoke with Tenisha who gave=me your contact email. I was recently at the Ritz Hotel in Paris and I'm tr=ing to find out who made the exterior faux facade which is currently on the=outside of the Ritz. It's basically a huge photograph that looks exactly li=e the exterior of the hotel. Any help to point me in the right direction wo=ld be greatly appreciated! Thank you!
