Good Morning Karyna

I would need more notice about coming to NYC, so I may set work schedule, accounting and generally get everything set for working remotely. As mentioned while you were on site 3 of the crew are on vacation, so we are covering those positions

=blockquote type="cite">

Also since JE has approved the renovation of the staff cottage, even though we have had no direction from Rich, we are moving forward, needing to empty the cottage and move into the garage

I would at least a weeks notice and that would then depend on the work schedule here

The NYC hou=e will need to have someone "in charge" if changes are to be mad=, hoping that you are moving forward with looking for someone that fits th=s position

Please forward other suggested dates when you can
