Subject: Re: Guest apartments notes

Morning! My vacation was surprisingly great! Really nice to spend =ime with the family. I was a bit worried about a cruise (have never =one one or even wanted to) But turned out to be something different and =un :) Thanks for asking

Re your questions:

1. Great ███████ is coming to help out. I have ████ up to Wed. July 12. =he Bard's arrive on 12th-17th. Cecile from STC will be in ███ =uly 12-Aug. 5 for surgery she is having here in NY. I am wondering if ████ could stay in ███████████? I do not know where ████ is =r if she will need the apt. July 6-14? Might you?

2. I will let ████████, Leo, and Merwin know all the guest apartments =ill need a touch up (███████████████) I will include you on the mail.
