spoke with Penn, the box is not there, he claims when he opened the box himself last week there was no sink, but no explanation why he didn't tell me about it, even though I saw him personally in 8H when the vanity was already installed! Then he said he'll pay for it.

Anyway, will be ordering new sink now

Hi [REDACTED] did you order the vanity sink? The vanity cabinet and top are here but nothing came with the sink. Please advise. Penn
