Good afternoon [REDACTED]

I have been having difficulties getting JE's Philips Sonicare Toothbrush heads locally and then when I find them, they are expensive, I could order on line, but would still end up going to the NYC apt, could you possibly purchase a few packs, also the only supply that I have found for JE's Mentadent toothpaste is K Mart, it has now been over a month and there is none to be had, could you also bring a few down also if you have room

Thanks

Warmest regards
