I don't love 4M. It always=has had a strange smell to it. I would be inclined to ask Anthony if we can=switch it with another apt and have him deal with it.

Ha! You're sweet!!

I agree that the apartments need some work. I think 4m can smell really b=d at times. I know the toilet backed up not too long ago and i walked in an= it stunk like you can't imagine. I had Lalasa buy air fresheners but it pr=bably needs more help than that! I know Danny had made prior arrangem=nts for a hotel (I think four seasons?) maybe he went there. For sure mor= luxurious than any of the apartments.

I am not sure, he just told me on=the phone he didnt end up staying there.

I would like to find out if he=went there first and then didnt end up staying or if he made other plans be=ore arriving. I didnt wnat to ask him but maybe we can find out from the do=rman.

Anyway, [REDACTED] and I were in contact last night about the fact that we h=ve to do work on the apartments especially the old bathrooms. I always feel=uncomfortable with these kinds of guests going in to them, I dont think the= are up to standard for it and feel it does not reflect well on JE at all.<=div>

Anyway Les...it is Sunday and you shouldnt be emailing u=...enjoy your weekend!!!
