Yes, we have apartment [REDACTED] set for you to stay at.=C2

If you could please take a cab from the airport to [REDACTED] and=let Bella know to reimburse you.

We will start at 71st on Friday=at 9am then. I asked Merwin, Leo and Marilyn to be there, so that we can all meet.

The main focus would be on how to efficiently reorganize all the storage areas and keep it maintained. Some of them we=have improved comparing to what it used to be, but there is still a lot to=do. At first I would like to show you all the areas in the house, so that =ou can have a full picture, and then we can discuss the ideas. Do you agree=?

Thank you!

Wish you safe travels, and see you soon!
